Mr Peter Haylen	
Mr Jim Hughes AM	Resigned 2 December 2019
Associate Professor Andrew Kneebone	
Mr William Munro	
Mr John Palmer	
Mr Geoff Underwood	
Associate Professor Anthony Walker ASM	

Directors have been in office since the start of the year to the date of this report unless otherwise stated.

Company Secretary

Professor Jeff Dunn AO and Malcolm Freame BEc FCA GAICD held the position of Company Secretary for the financial year.

Principal Activities

The principal activities of PCFA during the 2019/20 financial year:

- Promoting and funding world leading, innovative research into Prostate Cancer
- Implementing awareness campaigns and education programs for the Australian community, health professionals and Government; and
- Supporting men and their families affected by prostate cancer through evidence-based information and resources, support groups and Prostate Cancer Specialist Nurses.

PCFA continued the Specialist Nursing Program with funds provided from the Commonwealth of Australia as represented by the Department of Health and other donors.

Members Guarantee

In accordance with the company's constitution, each member is liable to contribute \$10 in the event the company is wound up. The total amount members would contribute is \$460.

Operating Result

The operating surplus of PCFA for the year ended 30 June 2020 amounted to a surplus of \$876,613 (2019: surplus \$185,383).

Dividends

PCFA is limited by guarantee and is not permitted to pay dividends.

Review of Operations

PCFA's operations for the year resulted in a surplus of \$876,613 (2019: surplus \$185,383) after the approval of research grants and specialist nursing program totalling \$7.60 million (2019 \$6.66 million).

DIRECTORS' REPORT (Continued)

Significant Changes in State of Affairs

No significant changes to PCFA's state of affairs occurred during the financial year.

After Balance Date Events

Other than the Accounting period change referred to in Note 17, no further matters or circumstances have arisen since the end of the financial year which significantly affected or may affect the operations of PCFA, the results of those operations, or state of affairs of PCFA in future financial years.

The Company has been impacted by the Corona-virus pandemic, suffering loss of anticipated income from community events. These impacts are expected to be ongoing, with risk mitigation strategies in place.

Future Developments

PCFA expects to maintain the present status and level of operations and hence there are no likely significant developments in PCFA's operations.

Environmental Issues

PCFA's operations are not regulated by any significant environmental regulation under a law of the Commonwealth or of a State or Territory.

Objective

PCFA's objective is to reduce the impact of prostate cancer on Australian men, their partners and families, recognising the diversity of the Australian community.

To achieve this aim PCFA has continued to fund high quality research through its national grants programme, as noted above, promoted and supported the establishment of support groups, raised awareness of prostate cancer through the production of several new publications and our regular newsletter, all of which are accessible via the PCFA website and support men and their families affected by prostate cancer through the Prostate Cancer Specialist Nurses service.

Options

No options over issued shares or interests in PCFA were granted during or since the end of the financial year and there were no options outstanding at the date of this report.

Indemnifying Officers

During the financial year, PCFA paid a premium of \$11,730 (2019: \$11,730) to insure the directors and secretaries of the company and its controlled entities.

The liabilities insured are legal costs that may be incurred in defending civil or criminal proceedings that may be brought against the officers in their capacity as officers of entities in the Group, and any other payments arising from liabilities incurred by the officers about such proceedings. This does not include such liabilities that arise from conduct involving a wilful breach of duty by the officers or the improper use by the officers of their position or of information to gain advantage for themselves or someone else or to cause detriment to the company. It is not possible to apportion the premium between amounts relating to the insurance against legal costs and those relating to other liabilities.

Proceedings on Behalf of PCFA

No person has applied for leave of Court to bring proceedings on behalf of PCFA or intervene in any proceedings to which PCFA is a party for the purpose of taking responsibility on behalf of PCFA for all or any part of those proceedings. PCFA was not party to any such proceedings during the year.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

NOTE 1: CORPORATE INFORMATION

The financial report of Prostate Cancer Foundation of Australia Limited for the year ended 30 June 2020 was authorised for issue in accordance with a resolution of the directors.

Prostate Cancer Foundation of Australia Limited (the Company) is a company domiciled in Australia, the sole activity of which is to act as the corporate trustee of Prostate Cancer Foundation of Australia (the Trust). The consolidated financial statements as at and for the year ended 30 June 2020 comprise the Company and the Trust, collectively referred to as PCFA. PCFA is a not-for-profit entity.

The registered office and principal place of business of PCFA is:

Level 3,
39-41 Chandos Street
St Leonards, New South Wales, 2065

The nature of the operations and principal activities of PCFA are described in the Directors' Report.

NOTE 2: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Preparation

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards-Reduced Disclosure Requirements (including Australian Accounting Interpretations), the *Australian Charities and Not-for-Profits Commission Act 2012* and its associated regulations.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in a financial report containing relevant and reliable information about transactions, events and conditions.

Material accounting policies adopted in the preparation of this financial report are presented below and have been consistently applied unless otherwise stated.

Some of the amounts reported for the previous period have been restated to correct an error in presentation. Detailed information about these adjustments can be found in note 2(t).

The financial report has been prepared on an accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets and financial assets.

Functional and presentation currency

Items included in the financial statements of each of the Group's entities are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The consolidated financial statements are presented in Australian dollar (\$), which is PCFA's functional and presentation currency and are rounded to the nearest dollar.

(a) Revenue

Fundraising proceeds, bequests and donations are accounted for when received or when PCFA is legally entitled to the income.

Interest revenue is recognised on a proportional basis considering the interest rates applicable to the financial assets.

All revenue is stated net of the amount of goods and services tax (GST) payable to the Australian Taxation Office.

Revenue from the sale of goods is recognised when control passes to the buyer.

Revenue from Contracts with Customers will only be recognised as the obligations under the contract are satisfied.

(b) Government Contributions

PCFA will recognise government grants in the Statement of Comprehensive Income on a systematic basis over the period in which PCFA recognises, as expenses, the related costs for which the grants are intended to compensate, provided the condition that specified services are delivered or conditions fulfilled as stated in the funding agreements. These contributions are received on the condition that specified services are delivered or conditions fulfilled. These contributions are recognised at the fair value upon receipt at which time an asset is taken up in the Statement of Financial Position and the revenue recognised in the Statement of Comprehensive Income.

(c) Donations in Kind

Items donated for use are included at the fair value to PCFA where this value can be quantified, and a third party is bearing the cost.

No amounts are included in the financial statements for services donated by volunteers.

(d) Expenditure

Expenditure is accounted on an accrual basis and has been classified under headings that aggregate all costs relating to that category. The categories in the consolidated statement of comprehensive income reflect PCFA's activities.

(e) Plant and Equipment

Plant and equipment are measured on the cost basis, less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the asset's employment and subsequent disposal. The expected net cash flows have been discounted to their present value in determining their recoverable amounts.

Plant and equipment that have been contributed at no cost, or for nominal cost, are valued at the fair value of the asset at the date it is acquired.

Depreciation

The depreciable amount of all fixed assets is depreciated on a straight-line basis over the asset's useful life to PCFA commencing from the time the asset is held ready for use.

Leasehold improvements are depreciated over the unexpired period of the lease.

The useful life applied for each class of depreciable assets is:

Class of Fixed Asset	Useful Lives
<u>Plant and Equipment</u>	
- Computer equipment	1-5 years
- Office furniture and equipment	10-20 years
 Leasehold improvement	 3-5 years

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date. Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the Statement of Comprehensive Income.

(f) Leases

A lease liability is recognised at the commencement date of a lease. The lease liability is initially recognised at the present value of the lease payments to be made over the term of the lease, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Lease payments comprise of fixed payments less any lease incentives receivable, variable lease payments that depend on an index or a rate, amounts expected to be paid under residual value guarantees, exercise price of a purchase option when the exercise of the option is reasonably certain to occur, and any anticipated termination penalties. The variable lease payments that do not depend on an index or a rate are expensed in the period in which they are incurred.

Lease liabilities are measured at amortised cost using the effective interest method. The carrying amounts are remeasured if there is a change in the following: future lease payments arising from a change in an index or a rate used; residual guarantee; lease term; certainty of a purchase option and termination penalties. When a lease liability is remeasured, an adjustment is made to the corresponding right-of-use asset, or to profit or loss if the carrying amount of the right-of-use asset is fully written down.

(g) Inventories

Inventories of goods purchased for resale are valued at the lower of cost or net realisable value.

(h) Financial Instruments

(i) Classification

The Group classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income (OCI) or through profit or loss), and
- those to be measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or OCI. For investments in equity instruments that are not held for trading, this will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income (FVOCI).

The Group reclassifies debt investments when and only when its business model for managing those assets changes.

(ii) Recognition and derecognition

Regular way purchases and sales of financial assets are recognised on trade-date, the date on which the Group commits to purchase or sell the asset. Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Group has transferred substantially all the risks and rewards of ownership.

(iii) Measurement

At initial recognition, the Group measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss (FVPL), transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at FVPL are expensed in profit or loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

Debt instruments

Subsequent measurement of debt instruments depends on the Group's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Group classifies its debt instruments:

- **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in finance income using the effective interest rate method. Any gain or loss arising on derecognition is recognised directly in profit or loss and presented in other gains/(losses) together with foreign exchange gains and losses. Impairment losses are presented as separate line item in the statement of profit or loss.
- **FVOCI:** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest income and foreign exchange gains and losses which are recognised in profit or loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/(losses). Interest income from these financial assets is included in

finance income using the effective interest rate method. Foreign exchange gains and losses are presented in other gains/(losses) and impairment expenses are presented as separate line item in the statement of profit or loss.

- FVPL: Assets that do not meet the criteria for amortised cost or FVOCI are measured at FVPL. A gain or loss on a debt investment that is subsequently measured at FVPL is recognised in profit or loss and presented net within other gains/(losses) in the period in which it arises.

Equity instruments

The Group subsequently measures all equity investments at fair value. Where the Group's management has elected to present fair value gains and losses on equity investments in OCI, there is no subsequent reclassification of fair value gains and losses to profit or loss following the derecognition of the investment. Dividends from such investments continue to be recognised in profit or loss as other income when the Group's right to receive payments is established.

Changes in the fair value of financial assets at FVPL are recognised in other gains/(losses) in the statement of profit or loss as applicable. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

(iv) Impairment

The Group assesses on a forward looking basis the expected credit losses associated with its debt instruments carried at amortised cost and FVOCI. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables, the Group applies the simplified approach permitted by AASB 9, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

(i) Impairment of Assets

At each reporting date, PCFA reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the Statement of Comprehensive Income.

Where the future economic benefits of the asset are not primarily dependent upon on the assets ability to generate net cash inflows and when PCFA would, if deprived of the asset, replace its remaining future economic benefits, value in use is depreciated cost of an asset.

Where it is not possible to estimate the recoverable amount of an assets class, PCFA estimates the recoverable amount of the cash-generating unit to which the class of assets belong.

Where an impairment loss on a revalued asset is identified, this is debited against the revaluation reserve in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation reserve for that same class of asset.

(j) Right-of-use assets

A right-of-use asset is recognised at the commencement date of a lease. The right-of-use asset is measured at cost, which comprises the initial amount of the lease liability, adjusted for, as applicable, any lease payments made at or before the commencement date net of any lease incentives received, any initial direct costs incurred, and, except where included in the cost of inventories, an estimate of costs expected to be incurred for dismantling and removing the underlying asset, and restoring the site or asset.

Right-of-use assets are depreciated on a straight-line basis over the unexpired period of the lease or the estimated useful life of the asset, whichever is the shorter. Where the Group expects to obtain ownership of the leased asset at the end of the lease term, the depreciation is over its estimated useful life. Right-of use assets are subject to impairment or adjusted for any remeasurement of lease liabilities.

The Group has elected not to recognise a right-of-use asset and corresponding lease liability for short-term leases with terms of 12 months or less and leases of low-value assets. Lease payments on these assets are expensed to profit or loss as incurred.

(k) Research Grants and Specialist Nursing Program

Research grants are expensed through the Statement of Comprehensive Income and recognised as a liability when PCFA has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Specialist Nursing Program payments are expensed through the Statement of Comprehensive Income and recognised as a liability when PCFA has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

It is considered that upon PCFA National Board approval of the research grants or placement application and notification of success to the applicant organisation, PCFA is constructively obliged to fund the contract whereby an economic benefit will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

(l) Employee Benefits

Employee benefits comprise wages and salaries, annual, sick and long service leave, and contributions to employee superannuation funds.

Provision is made for PCFA's liability for employee benefits arising from services rendered by employees to balance sheet date. Employee benefits, expected to be settled within one year, together with benefits arising from wages, salaries and annual leave which may be settled after one year, have been measured at the amounts expected to be paid when the liability is settled. Other employee benefits, payable later than one year, have been measured at the net present value.

Contributions are made by PCFA to employee superannuation funds and are charged as expenses when incurred. PCFA has no further obligation to pay further contributions to these funds if the funds do not hold sufficient assets to pay all employees benefits relating to employee service in current and prior periods. Liabilities for sick leave are recognised when the leave is taken and are measured at the rates paid.

(m) Cash and Cash Equivalents

Cash and cash equivalents in the consolidated statement of financial position include cash at bank, cash on hand, short-term deposits held with banks with an original maturity of six months or less that are readily convertible to known amounts of cash and which are subject to insignificant risk of changes in value, other short-term highly liquid investments and bank overdrafts.

For the purposes of the statement of cash flow, cash and cash equivalents consist of cash and cash equivalents as defined above, net of any outstanding bank overdrafts.

(n) Accounts Receivable and other debtors

Accounts receivable which are expected to be collected within 12 months are classified as current assets. All other receivables are classified as non-current assets. Accounts receivable are initially recognised at fair value.

Collectability of accounts receivable is reviewed on an ongoing basis. Amounts that are known to be uncollectible are written off when identified.

(o) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

Receivables and payables in the Balance Sheet are shown inclusive of GST. The amount of GST recoverable from or payable to the ATO is included with other receivables or payables in the Statement of Financial Position. Cash flows are presented in the Statement of Cash Flows on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

(p) Income Tax

No provision for income tax has been made as PCFA is a charitable institution for the purposes of Australian taxation legislation and therefore exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

(q) Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when PCFA has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured at the estimated expenditure required to settle the present obligation, based on the most reliable evidence available at the reporting date, including the risks and uncertainties associated with the present obligation.

Any reimbursement that PCFA is certain to collect from a third party with respect to the obligation is recognised as a separate asset. However, this asset may not exceed the amount of the related provision.

No liability is recognised if an outflow of economic resources as a result of present obligation is not probable. Such situations are disclosed as contingent liabilities unless the outflow of resources is remote in which case no liability is recognised.

(r) Comparative Figures

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

(s) Accounts payable and other payables

Accounts payable and other payables represent liabilities outstanding at the end of the reporting period for goods and services received by PCFA during the financial year which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability. The carrying amount of the payables is deemed to reflect fair value.

(t) Critical Accounting Estimates, Judgements and Errors

The directors evaluate estimates and judgements incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within PCFA.

Key Estimates – Impairment

PCFA assesses impairment at each reporting date by evaluating conditions specific to PCFA that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

Correction of error in presentation

An error was identified in calculating the gross proceeds from fundraising and donations amount disclosed in note 3.

The error has been corrected by restating the gross proceeds from fundraising and donations line item in note 3 for the prior periods as follows:

	2019 \$	%	Adjustment \$	2019 (Restated) \$	%
Gross proceeds from fundraising and donations	14,263,506		(5,786,901)	8,476,605	
Total cost of fundraising	<u>(2,333,304)</u>	16%	-	<u>(2,333,304)</u>	28%
Net proceeds after fundraising costs	<u>11,930,202</u>	84%	<u>(5,786,901)</u>	<u>6,143,301</u>	72%

The correction does not affect any other amounts disclosed in this report.

(u) Basis of Consolidation

Subsidiaries are entities controlled by the Group. The consolidated financial statements incorporate the assets and liabilities of all subsidiaries as at 30 June 2020 and results for the year then ended. Intragroup balances and transactions, and any unrealized income and expenses arising, are eliminated in preparing the consolidated financial statements.

(v) New standards and interpretations not yet adopted

Certain new accounting standards and interpretations have been published that are not mandatory for the 30 June 2020 reporting period, and have not been early adopted by the Group.

(w) New and amended standards adopted by the Group

The following new and amended accounting standards have been applied from 1 July 2019.

(i) AASB 16 Leases

On adoption of AASB 16, the Group recognised lease liabilities in relation to leases which had previously been classified as 'operating leases' under the principles of AASB 117 Leases. These liabilities were measured at the present value of the remaining lease payments, discounted using the lessee's incremental borrowing rate as of 1 July 2019. The weighted average lessee's incremental borrowing rate applied to the lease liabilities on 1 July 2019 was 4.5%. For leases previously classified as finance leases the entity recognised the carrying amount of the lease asset and lease liability immediately before transition as the carrying amount of the right of use asset and the lease liability at the date of initial application. The measurement principles of AASB 16 are only applied after that date.

(x) Impact of the change in accounting policy

AASB 16 Leases

The Group has adopted AASB 16 *Leases* retrospectively from 1 July 2019, but has not restated comparatives for the 2019 reporting period, as permitted under the specific transition provisions in the standard. The reclassifications and the adjustments arising from the new leasing rules are therefore recognised in the opening balance sheet on 1 July 2019.

(i) Practical expedients applied

In applying AASB 16 for the first time, the Group has used the following practical expedients permitted by the standard:

- applying a single discount rate to a portfolio of leases with reasonably similar characteristics
- relying on previous assessments on whether leases are onerous as an alternative to performing an impairment review – there were no onerous contracts as at 1 July 2019
- accounting for operating leases with a remaining lease term of less than 12 months as at 1 July 2019 as short-term leases
- excluding initial direct costs for the measurement of the right-of-use asset at the date of initial application, and
- using hindsight in determining the lease term where the contract contains options to extend or terminate the lease.

The Group has also elected not to reassess whether a contract is, or contains a lease at the date of initial application. Instead, for contracts entered into before the transition date the group relied on its assessment made applying AASB 117 and Interpretation 4 "Determining whether an arrangement contains a lease".

The following adjustments were made to the amounts recognised in the balance sheet at the date of initial application (1 July 2019).

Measurement of Lease Liabilities	2019
Operating lease commitments disclosed at 30 June 2019	795,124

NOTE 3: FUNDRAISING APPEALS CONDUCTED DURING THE FINANCIAL YEAR

The following disclosures for the current period are included to comply with the *Australian Charities and Not-for-Profit Commission Act 2012*.

During the financial year PCFA raised funds primarily through:

- Solicited corporate and general donations;
- Gifts and bequests; and
- Charity events.

Results from fundraising appeals

Research grants payable relate to 13 (2019: 23) approved applications to which PCFA are presently committed. These will be paid over the next 3 financial years according to the agreed letters of offer.

Specialist Nursing Program payable is based on funds received from or committed by the Federal Government via the Department of Health. Contracts have been awarded to provide nurses in hospitals at various locations around Australia and funds will be set aside for evaluation of the program. These funds are to be expended over three years.

Provision for long-term employee benefits

A provision has been recognised for employee entitlements relating to long service leave. In calculating the present value of future cash flows in respect of long service leave, the probability of long service leave being taken is based on historical data. The measurement and recognition criteria relating to employee benefits have been included in Note 2(l) to this report.

NOTE 14: CONTRACT LIABILITIES

NOTE 16: CONTINGENT LIABILITIES AND ASSETS

PCFA has a bank guarantee at 30 June 2020 for the performance of certain office lease commitments amounting to \$168,071 (2019: \$157,183).

NOTE 17: EVENTS AFTER BALANCE SHEET DATE

PCFA have applied to substitute the organisations accounting period and have received approval from the ACNC to do so. The next reporting period will be for the 18 months, 1 July 2020 – 31 December 2021.

PCFA have signed a grant agreement with the Department of Health for the period 1 July 2020 – 30 June 2023, in the amount of \$23,250,000 for the delivery of nursing services.

The Company has been impacted by the Corona-virus pandemic, suffering loss of anticipated income from community events. These impacts are expected to be ongoing, with risk mitigation strategies in place.

No other matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of PCFA, the results of those operations, or the state of affairs of PCFA in subsequent financial years.

NOTE 18: RELATED PARTIES AND RELATED PARTY TRANSACTIONS

Independent auditor's report

To the members of Prostate Cancer Foundation of Australia Limited

Our qualified opinion

In our opinion, except for the possible effects of the matter described in the *Basis for qualified opinion* section of our report, the accompanying financial report of Prostate Cancer Foundation of Australia Limited (the Company) and its controlled entities (together the Group) is in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission (ACNC) Act 2012*, including:

- (a) giving a true and fair view of the Group's financial position as at 30 June 2020 and of its financial performance for the year then ended
- (b) complying with Australian Accounting Standards - Reduced Disclosure Requirements and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

What we have audited

The Group financial report comprises:

- the consolidated statement of financial position as at 30 June 2020
- the consolidated statement of changes in equity for the year then ended
- the consolidated statement of cash flows for the year then ended
- the consolidated statement of profit or loss and other comprehensive income for the year then ended
- the notes to and forming part of the financial statements, which include a summary of significant accounting policies
- the directors' declaration.

Basis for qualified opinion

Cash from donations and other fundraising activities are a significant source of revenue for the Group. The directors have determined that it is impracticable to establish control over the collection of revenue from these sources prior to entry into its financial records. Accordingly, as the evidence available to us regarding revenue from cash donations and other fundraising activities was limited, our audit procedures with respect to revenue from these sources had to be restricted to the amounts recorded in the Group's financial records. As a result, we are unable to express an opinion as to whether revenue from cash donations and other fundraising activities is complete.

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial report* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Independence

We are independent of the Group in accordance with the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Other information

The directors are responsible for the other information. The other information comprises the information included in the consolidated annual report for the year ended 30 June 2020, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management and the directors for the financial report

Management is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and the *Australian Charities and Not-for-profits Commission (ACNC) Act 2012* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, Management is responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intend to liquidate the Group or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: http://www.auasb.gov.au/auditors_responsibilities/ar3.pdf. This description forms part of our auditor's report.
